

Box Tops For Education

Do you shop online? If so, there is an easy way to have your shopping benefit Dodd Middle School through BoxTops4Education. Go to the web site: <http://www.boxtops4education.com/>, then create an account with a login and password. Select which school you want your purchases to support. Log in. Click on the green “earn” tab and go to “see participating stores”. Click on the store you plan to place your online order with and complete your order without logging out. After about 48 hours, if you check your BoxTops4Education account, you will see the new purchase. The web site takes weeks to actually credit you and the school with the points, but Dodd will receive the credit.

Another option is to do your shopping online and once your shopping cart is ready, instead of paying on the store’s web site, open a second internet page and once again type in <http://www.boxtops4education.com>. Log in and choose the company you are ordering from. Your entire purchase will show up, ready to be paid for and will be credited to Dodd once you finish. If you complete your purchase this way, you will have to abandon your original shopping cart on the store’s web site and complete the purchase on the BoxTops4Education web site.

Don’t forget to sign up for Stop & Shop’s A+ program using the Stop & Shop web site.
